Experience

Junior Achievement Nigeria
Learning Facilitator
October 2019 - Present
Nigeria

As a Learning Facilitator at Junior Achievement Nigeria, I assist in implementing Google CS first across Secondary Schools in Abuja, Nigeria. In collaboration with Google, Junior Achievement Nigeria will be delivering Computer Science education to Secondary Schools in Abuja. We will be using scratch programming language and online resources from Google to teach the students.

CHILDREN LEARNING CODE

Learning Facilitator
July 2019 - Present
Nigeria

Created and managed all curriculum training for Abuja Chapters. Responsible for all tech related duties.

Key contributions:

Teaching Children how to code with code.org.

Vilsquare.org
Front-End Developer
May 2019 - June 2019 (2 months)

Led the front-end development for educational map software showing the quality of Education in Nigeria.

KEY CONTRIBUTIONS:

- Responsible for recommendations, setting code standards for front-end development.
- Created a fully customized front-end HTML, CSS, design.
- Standardized site architecture and design. The design contains reusable components for customization and flexibility.

Federal High Court

National Youth Service Corper Trainee

May 2018 - March 2019 (11 months)

Federal High Court, Abuja, Nigeria.

I worked as a corper in Abuja. I worked in the Finance Department preparing salaries, co-operative accounts, insurance, final accounts, etc.

Education

University of Lagos

Bachelor of Science - BS, Economics · (2014 - 2017)
